

# SELL TELECOM & GROW YOUR BUSINESS.

## We're Looking For Sales Agents

As a Simplified Networks Sales Agent with no inventory, no upfront investment, and the backing of a respected telecom provider, this is your chance to grow a business on your own terms.

### Great Commissions. Low Overhead.

Earn competitive commissions without the hassle of stocking or shipping equipment.

### Set Yourself Apart

Give your customers a better experience with exclusive partner pricing, reliable service, and 24/7 U.S.-based support.

### Your Brand or Ours

Our flexible sales model enabled you to sell under your own name or use the trusted Simplified Networks brand.

### Built-In Tools for Growth

We provide marketing resources, lead gen support, and even training and certification programs to help you grow.

### Real Products. Real Demand.

Offer reliable voice, data, and cloud services that businesses actually need—and already trust.

### Tech Made Easy for Sales Pros

We fit into your client's existing telecom and IT systems—no technical know-how or complex setup required.

## Join our team today!

Jessica is here to help  
you reach your goals:

### A True Partner, Not Just a Provider

Get direct access to our partner support team whenever you need guidance or technical insight, every step of the way.
